*Every year is different
But this year does not compare
In the world is a big scare
That no one was aware
Everyone is afraid without a number for how many days we had left
Now in the world is happening a big event
That we couldn't prevent*

*"Merry Christmas" - this sounds more like a phrase
Because it doesn't feel the same
We just want to be with our family
And looking in the sky, we don't want to see bombs and airplanes*

*{Chorus} We want to see snow and fireworks
We want to see people singing Christmas songs, singing Christmas songs*

*We are trying to give hope, to the one that are suffering the most
But we also can not do this anymore
I'm just tired to see faces crying
And if I say we're ok, I'm lying
We are all trying, for our lives we're fighting
I just want to be safe, that's the only wish I have for this year
Santa Claus can you hear me
Prove us you're real maybe this year*

*"Merry Christmas" - this sounds more like a phrase
Because it doesn't feel the same
We just want to be with our family
And looking in the sky, we don't want to see bombs and airplanes*

*{Chorus} We want to see snow and fireworks
We want to see people singing Christmas songs, singing Christmas songs*

*{Chorus} We want to see snow and fireworks
We want to see people singing Christmas songs, singing Christmas songs*

Not blabbering about the war

*I am singing and I want everyone to hear my voice
Maybe we will change the world
You think that this song is joke
NO! It's for the silence to be broken
We need to stop this mess - I know it sounds impossible
But lately everything is possible*

*One voice is weak
More voices are unstoppable
We can do much more than we expect
People, we are phenomenal
Merry Christmas 2022,
Soon it will end and we'll start something new*

*"Merry Christmas" - this sounds more like a phrase
Because it doesn't feel the same
We just want to be with our family
And looking in the sky, we don't want to see bombs and airplanes*

*{Chorus} We want to see snow and fireworks
We want to see people singing Christmas songs, singing Christmas songs*

*Not blabbering about the war
Not blabbering about the war
Not blabbering about the war*
